

THE BOARD OF COMMISSIONERS OF THE  
COUNTY OF MARSHALL, INDIANA  
112 WEST JEFFERSON STREET  
PLYMOUTH, IN 46563

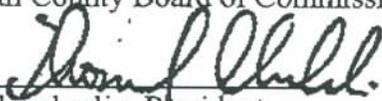

Please consider this letter and the attachments as a formal request for Federal Congressional funding assistance for the proposed **7<sup>th</sup> Road Extension Project in Marshall County, Indiana**. As defined by the US31 Corridor Final Environmental Impact Statement (FEIS), the 7<sup>th</sup> Road Extension Project will provide the only access to and from the US31 corridor to the City of Plymouth through Marshall County.

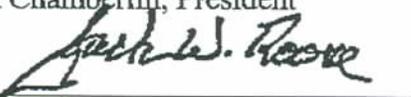

Copies of letters from the City of Plymouth and The US31 Coalition supporting the application for Federal Funding for the 7<sup>th</sup> Road Extension Project have been included along with this letter.

The Marshall County Commissioners are in full support of this economic development corridor. The new road will provide the only east/west access to the US31 corridor to the citizens of Plymouth and Marshall County, as well as providing economic development opportunities, which will promote business growth and job development.

Please allow us to thank you in advance for your consideration and assistance in this matter. We appreciate your support and look forward to further discussions regarding the funding application process.

Yours Respectfully,  
Marshall County Board of Commissioners

  
Tom Chamberlin, President

  
Jack Roose, Vice President
