

OFFICE OF THE PRESIDENT

17 December 2010

The Honorable Richard Lugar
United States Senate
306 Hart Senate Office Building
Washington, D.C. 20515-1401

Dear Senator Lugar:

Thank you for your many years of leadership service in Indiana and in the United States Senate.

I write to express my support for the DREAM (Development, Relief and Education for Alien Minors) Act and urge its approval.

Many obstacles are faced by these persons who were brought into this country without a choice in the matter and continue living under a cloud of ambiguity and disempowerment due to their status. For a number of years I have supported appropriate DREAM Act legislation. Our campus experiences have underscored the need for such legislation.

I recognize the potential of this population, and on the reverse side, the ongoing detriment inaction will cause these individuals.

Thank you for recognizing the need to pursue an appropriate course of action.

Respectfully,

Ronald E. Manahan
President
