Honorable Richard Lugar
U.S. Senate
306 Hart Senate Office Building
Washington, DC 20510-1401

Dear Senator Lugar:

Lincoln Hills Development Corporation (LHDC) is applying for a Congressional Earmark in the amount of \$75,000.00 to support facility renovations and improvements for the Lincoln Hills Development Corporation (LHDC) Perry County Community Services Center that is located at 302 Main Street in Tell City.

The LHDC facility is located in downtown Tell City on a major traffic artery (Washington & Main Streets) and is a critical part of Tell City's downtown. The thirty-eight (38) employees who work out of this facility provided services to over 2,300 residents of Perry County last year.

This letter is to ask for your consideration of our request to improve this important downtown facility, to preserve the 38 downtown jobs and to continue the accessibility of services for the citizens of Tell City and Perry County.

Sincerely,

Larry K. Kleeman
Executive Director
