February 26, 2009

The Honorable Richard Lugar
United States Senate
306 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Lugar:

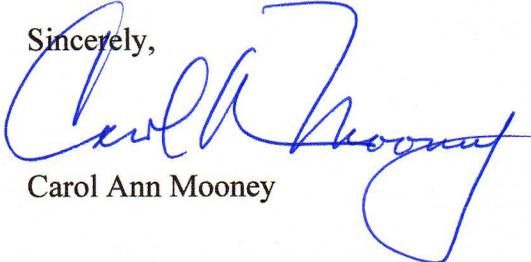

Saint Mary's College submits the attached appropriations request form and related materials for your consideration. As the request form indicates, this project is titled:

Saint Mary's College Program for Women's Entrepreneurship
(Financial Services appropriations)

This project is priority number two (2) out of the four (4) appropriations requests Saint Mary's is submitting for Fiscal Year 2010. This request is a continuation of the Fiscal Year 2009 appropriations request Representative Joseph Donnelly is currently sponsoring for Saint Mary's. The Center for Women's InterCultural Leadership and Department of Business Administration and Economics are eager to begin working on this project and excited about this opportunity to secure additional support for it.

Thank you for your time and consideration of this request. The entire Saint Mary's College community is grateful for the wonderful work you do representing both Saint Mary's and Indiana in Congress.

Sincerely,

Carol Ann Mooney
