

OFFICE OF THE
PRESIDENT

February 25, 2010

The Honorable Richard Lugar
United States Senate
306 Hart Senate Office Building
Washington, DC 20515-1401

Dear Senator Lugar:

I am writing on behalf of Indiana University to ask for your support for equipment needs at the Indiana University Innovation Center.

Specifically, I am requesting consideration of \$400,000 for equipment needs at the incubator facility. This will further a key priority area of the University's strategy to become a more integral role player in a strategic sector of the State's economy – life and biosciences.

I respectfully ask for your consideration of this proposal.

Yours sincerely,
