Office of the President

February 26, 2010

The Honorable Richard G. Lugar
United States Senator
306 Hart Senate Office Building
Washington, DC 20510

Dear Senator Lugar:

On behalf of Marian University and St. Vincent Health, we write to request your support for one project in the Fiscal Year 2011 Labor, Health and Human Services, and Education Appropriations bill. The Marian University-St. Vincent Health Accelerated Online Nursing Program places bachelor's degreed nurses into health care facilities in sixteen months. This request is well justified, meritorious, and we believe is worthy of your support.

If you have any questions, please do not hesitate to contact me at (317) 955-6100 or via email at delsener@marian.edu, or Vincent at (317) 338-7080 or via email at vccaponi@stvincent.org. Thank you for your support of Marian University and St. Vincent Health, your continued service in the U.S. Senate, and for all the exceptional work you do to benefit the State of Indiana!

Sincerely,

Daniel Elsener
