The Honorable Richard Lugar
United States Senate
306 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Lugar:

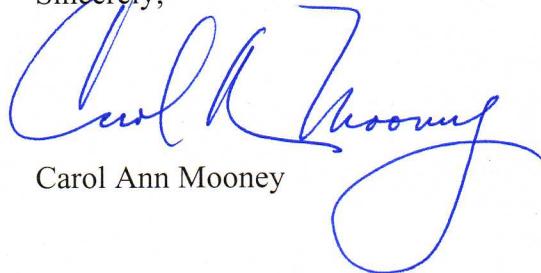

Saint Mary's College submits the attached appropriation request form and related materials for your consideration. As the request form indicates, this project is titled:

Expanding the College Academy of Tutoring (CAT)
Program at Saint Mary's College (Labor/HHS/Education
appropriation bill, Department of Education, Fund for the
Improvement of Education Account)

This project is priority number one out of the two (2) appropriation requests the College is submitting for Fiscal Year 2011. This request is a continuation of the appropriation request the College received in Fiscal Year 2009. The CAT Program continues to have a tremendous impact on the disadvantaged students it serves and I am grateful for this opportunity to apply for additional funding to sustain its important work.

Thank you for your time and consideration of this request. The entire Saint Mary's College community appreciates all you do to represent both the College and Indiana in Congress.

Sincerely,

Carol Ann Mooney
