The Honorable Richard Lugar

Washington, DC 20510

Dear Senator Lugar,

I am writing to request \$750,000 for the Flagship Enterprise Center Certified Technology Park Buildings project, which would be used for improvements to technology and building infrastructure, tenant build out, and enhancements and laboratory development for the Flagship Enterprise Center Campus.

Thank you for your consideration of this important project, which will greatly improve the quality of life for the citizens of Anderson.

Sincerely,
